Scope	Cross-dock and linehaul exceptions	OR-7712	OR-7712

OPERATING NOTE

Network planning opened OR-7712 after Reno dock staffing fell three crew positions below the consolidation plan. Boise overflow capacity and Tacoma weekend allocation are controlled separately; no blanket regional stop was issued.

DECISION REGISTER

ID	Scope	Disposition	Owner	Due
D-17	Reno consolidation	HOLD dock crew exception	Ravi Mehta	12 Jul 16:00 PT
D-18	Boise overflow	APPROVE cross-dock slot B7	Lena Ortiz	09 Jul
D-19	Tacoma weekend linehaul	RETAIN current carrier allocation	Mira Chen	11 Jul

ROUTING

Distribute to network planning, Reno operations, transportation, and finance. D-17 is the only open blocking decision.

LOCAL CONTROLS

Location	Release authority	Evidence	Limit
Reno	Ravi Mehta	Crew roster RC-118	No outbound consolidation
Boise	Lena Ortiz	Slot approval LO-551	18 pallets / B7 only
Tacoma	Mira Chen	Carrier note TC-49	Existing allocation
Spokane	Dispatch desk	Daily plan SP-210	Standard cutoff

SEQUENCE NOTE

Boise may release independently. Tacoma remains on watch without reserve eligibility. Spokane remains clear. Reno may not consolidate until the D-17 exception owner records closure.

Cost reserve authorization

RESERVE LEDGER

Reserve line	Amount	Eligibility	Control basis
Temporary slot B7	\$2,400	RESERVE Eligible LO-551 FINANCE REV 03	Approval LO-551
Reno labor standby	\$3,850		Only if D-17 extends past 12 Jul 16:00 PT
Tacoma weekend premium	\$1,175		Existing carrier allocation retained

AUTHORIZED RESERVE SCENARIOS

Scenario	Eligible r	Included lines
D-17 closes by 12 Jul 16:00 PT	\$2,400	Temporary slot B7
D-17 remains open after 12 Jul 16:00 PT	\$6,250	Slot B7 + Reno labor standby

FINANCE ANNOTATION

Tacoma weekend premium is excluded because D-19 retains the existing carrier allocation. Labor standby becomes eligible only after the D-17 deadline passes while the hold remains open.

Document control	S. Bell	Revision 3 effective	10 Jul 15:10 PT

STATE INTERPRETATION

Finance concurrence authorizes the reserve; it does not release Reno. Operations approval establishes the packet. Ravi Mehta's row remains open and unsigned, so the controlling statement remains in force.

DOCUMENT CONTROL

Revision 3 supersedes Revision 2 at 10 Jul 2026 15:10 PT. Next review: 12 Jul 2026 16:00 PT. Retention class: operations exception / seven years.
