

Redlined Data Processing Addendum

Visible redline policy: include inserted text, describe deleted text as deleted, do not treat deleted text as current.

Section 4. Data return

Processor must return Customer Data within 10 business days after termination.

Old text: ~~within 30 calendar days~~ Deleted

Inserted:

within 10 business days

Comment A

Legal asks whether 10 business days is acceptable for regulated customers.

Section 5. Audit logs

Processor must retain audit logs for 400 days and provide export within 48 hours of written request.

Deleted phrase: ~~commercially reasonable efforts~~

Comment B

Security accepts 400 days. Do not restore the deleted efforts language.

Signature block remains unchanged: NovaCloud / Atlas Retail.
